Report by: Boma Miranda, Secretary, Ndes Foundation

For: Ndes Foundation/Ndes Institute of Technology Hub

IT Course Facilitator: Ma Nji Florence

Objective: Empowering Girls in IT

Course Title: INTRODUCTION TO COMPUTER COMPONENTS

Lesson Topic: Review of Previous Lessons in Preparation for Exams Next Week.

The Ndes Institute of Technology (NIT) Hub had the second class of January 2024, organized by the Ndes Foundation in collaboration with Privida Company. The primary objective of the program is to empower girls in the field of Information Technology (IT).

IT Course Facilitator, Ma Nji Florence, led the class through a comprehensive session titled "Introduction to Computer Components." The lesson focused on an interactive review of previous topics to ensure students were well-prepared for upcoming exams scheduled for the next week.

The atmosphere at the NIT Hub was vibrant as students actively participated in discussions, group activities, and hands-on exercises. Ma Nji Florence's engaging teaching style facilitated a dynamic learning environment that fostered understanding and retention of key concepts.

The class concluded with a closing prayer, emphasizing the importance of dedication and hard work in the pursuit of knowledge. Students left the session with a renewed sense of confidence and enthusiasm for their studies.

As the NIT Hub continues to play a pivotal role in empowering girls in the field of IT, this class set a positive tone for the academic year. The Ndes Foundation remains committed to providing quality education and opportunities for girls to excel in the rapidly evolving field of Information Technology.

The Ndes Foundation staff present during the session included the Course Facilitator, Ma Nji Florence, Vice President Miss Ruth, Secretary Boma Miranda, and Mr. Joseph. Their presence added value to the class, ensuring a supportive and encouraging atmosphere for the students.

For further inquiries and information, please contact the NIT Hub at info@nit-hub.com.
